

Hands On Nashville Day

Nashville's largest annual day of community service to Metro Schools

Saturday **September 27** 8am-12pm

Project Coordinators

LEAD TRANSFORM INSPIRE

Hands On Nashville Day's success is based on the involvement of volunteers and *leaders* like you!

As a Project Coordinator (PC) you will:

- Attend a 1 ½ hour training session provided by Hands On Nashville
- Serve as liaison with your assigned project site/school
- Do a site visit at your project site prior to HON Day
- Serve as the primary project manager for your site
- Lead and motivate volunteers as they complete projects
- After volunteering, join us for the *Celebration* – a thank you party with food, music, & prizes

Ready now? Sign up for a PC Training session. Click [PC Training Dates](#).
